fully functional e-commerce site.

Angular Developer
Ogso Mountains Essentiels
Sep 2022 to November 2022

Creation of an e-commerce site

SUMMARY

Throughout the year I developed a sense of joy in using my academic and professional skills in my self-improvement journey. I firmly believe that my professional path is a highway to personal growth, this explains my thirst for knowledge. This thirst fuels my discipline, curiosity, authenticity, and motivations.
